Library rules

Using the library

Everyone may use the library and its reading rooms. To borrow items you need a library card, which is free and is issued at the information desk on presenting an identity document.

Please treat books and other media with care. Report damage you find before you borrow an item, so that it is not charged to you.

Lost and damaged items

If you lose or damage a borrowed item, please tell the loan desk. You pay for a replacement copy and a processing fee of 5.00. An item that is overdue for more than three months counts as lost.
